Islip, NY – Islip Town Councilwoman Trish Bergin Weichbrodt (left of center) recently dedicated a football field at Broadway Avenue Park in Sayville to the late Bernie Kolar, who spent many years coaching Sayville Youth Football.

A lifelong resident of Sayville and an outstanding football player, Bernie raised four sons and a daughter in Sayville, and was a staple of the local sports community. Councilwoman Bergin Weichbrodt introduced a resolution, which passed unanimously, at a recent Town Board meeting to name the field in his honor.
